S. Comments:Rider questioned re horse's performance. He said after leaving the 600m he was unable to improve and lost ground when positioned on the back of NEAR THE CITY. He added that passing the 400m he was able to shift out and improve, at which point the gelding was only able to finish the race off fairly and in his opinion was somewhat disappointing. Jockey Stewart further added that connections had indicated that the gelding would be given a freshen up prior to its next start. Trainer J. Pritchard stated that she would attempt to place the gelding in races over further distances in future.

S. Comments:Shifted out approaching the 100m and bumped another runner. Rider questioned re tactics. He said he was told to lead if possible and after trying to take a sit when caught wide, he could not obtain a position with cover so he allowed the horse to stride forward. He said being its first run with blinkers back on, it raced a little keenly so he elected not to restrain it but allow it to stride along at a comfortable pace in the lead. He thought being caught wide early and having to do additional work may have had an effect on the gelding's finishing effort. Stewards noted his explanation.

S. Comments:Began awkwardly and bumped another runner. When questioned as to the performance, Jockey A Allen stated that the mare was forced to race in restricted room from the 600m to the 300m which prevented him from improving his position. For this reason he was not overly disappointed with the mare's finishing effort. When questioned if there was an opportunity to improve his position when the tempo slowed leaving the 800m Jockey Allen stated that he was specifically instructed to provide the mare with cover until rounding the home turn as it had performed best when ridden in this manner.

S. Comments:When questioned as to the horse's performance, jockey Morris stated that the gelding was slow to muster speed in the early stages despite his efforts and as a result raced further back in the field than anticipated. He added that when placed under pressure passing the 400m the gelding responded and finished the race off well. Jockey Morris further added that in his opinion the gelding would be better suited over further distances than that of today's event.

S. Comments:Rider questioned re. tactics he stated the horse did not begin as it had in the past and after travelling a short distance felt he would not have been able to muster sufficient speed in order to hold the horse out which was racing to the outside. He therefore elected to take hold and, in his view, was satisfied that the horse was comfortable travelling with clear running, however he was forced wider near the 700m and LORD LONHRO did not finish the race off as he anticipated. Stewards will interview trainer G. Heinrich in the coming days regarding the tactics adopted.
