S. Comments:Questioned re the performance, rider stated that his mount began well and established the lead quickly, added that his mount raced keenly in the early and middle stages and was under pressure from the 700m to maintain its position, also stated his mount failed to sprint in the straight and was disappointing. Trainer reported in the days subsequent that the mare had pulled up well and that he would add a tongue tie to its gear as he suspects it may have got its tongue behind the bit during the event. A post race vet exam did not reveal any abnormality.

S. Comments:Shifted out when weakening soon after straightening. Questioned riding tactics adopted early and middle stages rider explained he was instructed to ride the gelding where it was comfortable and was advised not to overly restrain horse as it has resented this in the past. Rider added he was unable to obtain cover leaving the 1000m and soon afterward the pace steadied and GENTLEMAN JACK commenced to overrace and for this reason he allowed the horse to stride forward. Rider further added gelding was under heavy pressure approaching the home turn and weakened badly in the home straight.

Kropp advised that the mare, which was having its first race start since September, had been working well in the lead up to today's event and he was anticipating a forward showing. He added, however, that the mare did not begin well and had to work hard in the early stages to obtain a forward position, which he felt contributed to FILLE ARDENTE not finishing off the race as strongly as anticipated.
