S. Comments:Questioned re: performance - rider stated began only fairly and failed to muster speed early in effort to take up forward position. Rounding home turn was awkwardly placed at heels of another runner and had to steady. Afterwhich failed to respond to riding and weakened noticeably in run to the line. Post race vet failed to reveal any abnormalities. Cast hind plate in running. Trainer unable to explain performance but undertook to report back should anything come to light following the race.

S. Comments:Questioned as to tactics - rider stated instructed to sit off the speed with cover. For this reason he allowed runner outside of him to cross to the lead near 900m. Then travelled comfortably in middle stages but was disappointed for a run between runners upon straightening and again disappointed for a run over concluding stages. As a result was held up for the entire home straight and went to the line without being fully tested.

He added that when placed under pressure passing the 400m the gelding responded and finished the race off well. Jockey Morris further added that in his opinion the gelding would be better suited over further distances than that of today's event.
