S. Comments: When questioned jockey J. Mallyon explained that the horse had previously been ridden forward in the early stages however overraced badly. He said from today's awkward draw it was his intention to restrain and endeayour to find cover in a forward position. He added that shortly after the start he became aware there were a number of runners to his inside and as he was reluctant to urge it forward as he was concerned it may overrace, he took the option to endeavour to restrain, however the mare appeared to resent this and threw its head up for some distance. S. Comments: When questioned regarding the performance, Jockey S Doyle explained that it was his intention to ride the horse in a forward position however, the gelding could not muster any early speed and as a result settled mid-field with cover. He added that when he applied pressure rounding the home turn GOOD CATCH did not respond and was disappointing in its finishing effort. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

S. Comments:When questioned as to the performance, Jockey D Griffin stated that he was able to cross the runners drawn to his inside and take up a prominent position in the early stages without applying too much pressure after which the mare travelled comfortably in the middle stages. However, when placed under pressure rounding the home turn the mare failed to respond to his riding and was most disappointing today. Jockey Griffin was of the opinion that the mare may have come to the end of its preparation. Trainer A Willick confirmed that the mare would be sent for an immediate spell.

S. Comments:Rider reported colt travelled well until placed under pressure and failed to respond to his riding from 600m and as a result eased it over concluding stages. Vetted - no abnormalities swab sample taken - barrier trial. Trainer advised intention to spell colt after disappointing effort.
