S. Comments:Hampered on jumping away. Overraced badly in the early and middle stages, and whilst overracing after leaving the 1200m shifted out to avoid heels and in doing so forced another runner wider on the track and then was permitted to stride forward to a position outside the lead passing the 800m. Lost both front plates and also the off hind plate in running.

He added that he did expect the gelding to position closer in the run, however after failing to do so and then failing to run on at the finish was of the opinion that the gelding may not have handled today's racing surface.
