S. Comments:Bumped at the start. Overraced in the early stages. Inclined to lay out rounding the home turn. Stewards questioned trainer B. Guy regarding the horse's improved performance. Mr Guy explained that the mare has raced well in the past racing over a similar distance to that of today's event or further. He added that at its most recent start over 1400m, although the mare ran 9th, it was only beaten 4.7 lengths and was hampered near the 200m and unable to secure clear running over the final stages and he was not disappointed with that performance. S. Comments:Unable to obtain cover passing the 1200m due to the slow speed and when being restrained got its head up for a short distance before obtaining cover after passing the 900m. When asked to explain the performance, jockey B. Shinn stated that the filly raced keenly in the early stages due to the slow tempo which in his opinion may have been to its disadvantage, and when asked to finish the race off, led down for a short distance, however may have peaked on its run prior to the line. He added that in his opinion the filly, which was first up today, would benefit from the run. A post-race veterinar

S. Comments:Slow to begin. J. Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding along in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. Vetted, lame in the near foreleg. Veterinary clearance prior to racing again.
