S. Comments:When racing wide in the early stages, commenced to race keenly when being restrained to obtain cover. Jockey G. Colless reported to Stewards that as he had concerns that something may have been amiss with the gelding, he desisted from continuing to pressure his mount over the concluding stages. A post-race veterinary examination revealed the gelding to be suffering from cardiac arrhythmia. Connections were advised that the gelding must trial satisfactorily prior to its next race start and also provide a veterinary clearance with the results of an ECG.
