S. Comments:When asked to comment about the tactics adopted, jockey M. McGillivray advised that it was always his intention to lead in the race, however after being ridden forward to lead from the wide barrier, his mount refused to settle after passing the 1100m and overraced for the majority. He added that, in his opinion, the combination of the extra pressure being applied in the early stages and the horse overracing may have contributed to its finishing effort today. Stewards noted the explanation.

S. Comments:Stewards questioned jockey S. Cormack regarding his riding of the horse. Of concern to stewards was that after being significantly slow to begin he then did not place pressure on the horse in order to attempt to remain in touch with the main body of the field until entering the home straight.

Jockey Cormack explained that after the horse was slow to begin he immediately felt the horse was short in its action and therefore did not place any pressure on it to improve. A post race veterinary examination confirmed that BRADBURY was sore in the off foreleg and had also shifted its off fore pla

S. Comments:Delayed the start after being difficult to load. When questioned in regards to the tactics adopted today, rider D. Griffin stated that after being caught wide in the early stages and the lack of speed in the race, he elected to allow the gelding to improve forward and obtain the lead near the 1200m.

Co-Trainer B. Guy confirmed those instructions to improve forward should he be caught wide as the horse had raced in this manner over the longer distances previously. Co-Trainer B. & D. Guy were advised that a warning would be placed on the geldings barrier manners.
