S. Comments:When questioned re tactics, in particular leading event, which contrasted horse's recent established racing pattern, Rdr stated not intention to lead & envisioned settling midfield with cover-added after beginning well, filly quickly improved to obtain lead without being pressured & as horse was travelling comfortably, allowed mount to hold lead. Tnr advised filly had not been beginning well in its races & with removal of ear muffs & step up in distance, these 2 factors contributed to horse beginning more favorably & obtaining a more prominent position, despite no specific instructs to lead.

When quest re mid race tactics, in particular the margin gained on the main body of field, Rdr explained after making early use of mount to take up a forward position, gelding proved difficult to settle during the middle stages and rather than overly restrain, allowed mount to travel comfortably.
