| S. Comments:Slow to begin & hampered. Held up round home turn until the 200m & then shifted in before becoming awkwardly placed on heels & shifted out to obtain clear running. When asked about tactics, Rdr explained after receiving interference early, settled further back than anticipated and did not have any luck throughout the race. When asked about riding near 200m, Rdr stated when another runner had improved quickly in front, was obliged to shift to the inside in an attempt to obtain clear running. |                    |               |                                |
