| S. Comments:Raced keenly in the early stages, and whilst being restrained to a position closer to the running rail near the 900m, had to be steadied when awkwardly placed at the heels of another runner. Eased when placed in restricted room by HOT TALK which shifted out to secure clear running approaching the 300m. |                       |                   |                          |

| S. Comments:When questioned in relation to the improved performance, Trainer W. Baker advised that two starts ago at Springsure the gelding buck and took no competitive part in the event. He added that at its most recent start at Augathella, the gelding failed to run out the 1300m of that event and for that reason dropped it back in distance for today's event, and as such was confident in an improved performance. |                    |                     |                                |
