Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. S. Comments:Questioned re: performance - rider state intention to obtain forward position however, shortly after start when it was apparent there would be a strong tempo she elected to settle just worse than midfield. Horse then travelled comfortably in early and middle stages but responded only fairly when urged along leaving 800m and was one paced in the run to the line. In rider's opinion filly failed to run out the distance under the top wieght of 59kg. Post race vet failed to reveal any abnormalities.

Rider explained that NELAMOS has raced best when ridden on the speed but in hindsight was of the view she could have made a greater effort to restrain her mount and take a trail behind IMPERIL. Stewards agreed it would have been more advantageous to restrain and give the horse an easier run to allow the gelding to finish the race off strongly.
