| S. Comments:Jumped awkwardly. When questioned regarding her tactics, apprentice H. English stated that she was instructed to lead on the gelding at all costs, as she had done at its previous start at Doomben, as it was the opinion of the stable that the gelding does not appreciate racing behind horses. She added that approaching the 800m, when Ms Harrison on LET'S PARTY MARTY was reluctant to move to the fence, she then realised that if she raced outside LET'S PARTY MARTY, she would be forced to race in a three wide position. Trainer P. Duff confirmed the instructions. |                                       |   |

 S. Comments:Fractious in the barriers and began awkwardly, losing 2 lengths. Steadied from heels near the 700m. When questioned regarding the horse's performance, Q. Krogh said that after beginning poorly and mustering speed, he elected to come wide leaving the 600m, however he felt that the horse was under pressure from that point and he felt the horse did not appreciate the tight turning track. It was also noted that nearing the home turn it was bumped by another runner. Jockey Krogh felt it was disappointing and he was of the view the horse performs best when able to lead or be in a forward position.

| S. Comments:Shortly after the start hampered when racing in restricted room to the inside of FAST SUN. Approaching the 900m when being restrained got its head up and commenced to over-race and became very awkward at the heels of FLYING MACHINE, eventually clipping that runners heels and blundered. Continued to over-race and again had to be restrained from heels passing the 500m. Compounded over the concluding stages and finished last. Jockey and trainer questioned - see stewards report. A post-race veterinary examination revealed the mare to have some small lacerations to both forelegs. |                   |        |   |

| S. Comments:Trainer questioned re improved performance - explained at previous start drew wide and in an attempt to obtain cover had to go further back than they would have liked and in a slowly run race made it very hard to make up ground over concluding stages. Of the view run was better than it looked and today being in 900m race felt speed would be on and drew a better barrier, which aided being in a better position. Added gelding handles heavy track conditions and gave it a reasonable change of winning today. Stewards noted explanation. |                   |              |                                    |

S. Comments:Near 400m shifted out and made heavy contact with BALERION. Rider questioned re performance - explained colt inclined to lay out throughout and never travelled comfortably. Added bumped heavily with BALERION near 400m and was disappointing in its finishing effort in home straight. Trainer will monitor recovery in coming days and will make a decision with its current preparation.
