S. Comments:Slow to begin. Laid in under pressure in h/straight. When asked about performance, Rdr reported instructed to ride conservatively early in an attempt to allow gelding to settle as it was its first attempt over 1600m-said from wide barrier and after being slow to begin, settled at the rear, where gelding resented kickback early-added when placed under pressure, gelding responded to riding until peaking over final 100m and did not run out distance.
