S. Comments:Rider reported that the horse had sweated up badly prior to the race and travelled well throughout the event however did not respond to his riding from the 400m and became unbalanced in the home straight. He felt that the horse had failed to handle the soft racing conditions. Trainer agreed that the horse did not handle the soft racing conditions and was of the view that the horse would take a fitness benefit from today's event.

S. Comments:Rider questioned RE: The horse's seemingly improved performance. He stated previous start was over a shorter distance than today's event, the gelding was not suited by the quick early pace and was unable to take up a forward position, however the horse found the line strongly over the concluding stages. He added that with the step back up in distance today in a smaller field, the gelding was able to take up a forward position and travelled comfortably throughout, which he believed attributed to the improved performance. Trainer G. Cornish agreed with jockey Taylor's assessment.
