S. Comments:Hampered between runners shortly after the start. When asked about performance and the tactics, Rdr reported understood instructed to have gelding ridden further back, however, gelding is better suited when racing in a more forward position. When questioned, Tnr stated instructions were to begin neutrally on the gelding, and attempt to obtain cover on the fence as gelding has a habit of pulling hard previously.

When quest re riding in h/straight, particularly whether there was an opportunity to improve to inside near 300m, Rdr said had looked to improve into this run, however; filly was laying out, as it had done from 800m & when another runner shifted out, this run closed & then allowed horse to continue to shift out looking for clear run.
