S. Comments:For some distance in back straight made contact with another runner on a number of occasions. Stewards considered an objection lodged by Jockey of second placegetter alleging interference in the home straight. After taking initial evidence Jockey made application to withdraw the objection however as stewards believed that the hearing was warranted the application was denied. On the evidence it was established that over the concluding stages gelding shifted out towards second placegetter for a considerable distance however both horses had an unimpeded run to the finish. Protest dismissed.

S. Comments:When questioned regarding the poor performance apprentice explained that his mount travelled comfortable in a prominent position throughout however when placed under pressure in the straight his mount failed to respond and was disappointing. He attributed the poor performance to the gelding's heavy impost of 60kg and added that in his opinion gelding did not appreciate the hard track conditions. A post race veterinary examination of the gelding did not reveal any significant abnormalities.
