S. Comments:When questioned regarding his riding, Jockey said that after being buffeted between runners at the start, he rode his mount along. However, when he was of the view that he would be caught wide, he elected to restrain his mount and race at the tail of the field, where it travelled comfortably. He stated that he then elected to improve around the field from the 500 metres, however, in his opinion the filly responded only fairly in the home straight.
