S. Comments: Held up approaching home turn. Questioned tactics adopted - rider stated from awkward barrier content to obtain midfield position with cover bearing in mind strong tempo early stages. Rider added in early stages anticipated would be able to settle midfield position outside of FREEPORT, which he thought would cross to rail. However, when PUT YOUR HANDS UP improved to inside of FREEPORT he was going to be caught 3 wide so elected to restrain to get cover behind FREEPORT, which resulted in him racing further back in the field than anticipated.

S. Comments: Questioned re riding - App stated instructed to ride out of barriers as had previously been slow to begin. Again slow to begin today and obliged to settle at rear of field. Passing 800m commenced to race ungenerously and hung out and when being steadied lost ground. Then taken wider rounding home turnand once balanced upon straightening finished the race off well. Stewards advised App she had erred in failing to improve into the race leaving the 800 on the back of other runners which had commenced to improve their position.

S. Comments:Questioned re tactics - rider stated instructed to ride forward as had been slow to begin in previous 2 starts. After begining awkwardly and from wide barrier had to ride vigorously in early stages to comply with instructions. Pressure required in early stages had detrimental effect on overall performance. Noted filly trialled well when settling in forward position and would derive fitness benefit from run. Trainer confirmed instructions and would issue similar instructions in future when stepped up over further distance. Reminded of obligations to advise of change of tactics.

Jockey Gray stated that the gelding was off the bit at the top of the straight and he was unable to improve his position as he was concerened with horses shifting ground in the straight racing forward of him. He added that when he was able to find clear running inside the 100m he tested his mount and it finished the race off strongly before being crowded at the finish.

He felt this was due to the horse, which had its first 2 starts at the Sunshine Coast, seemingly having difficulty getting around the tight circuit today. He added in the straight due to it hanging he was unable to ride the horse out to the best of his ability. Trainer he would make gear changes before its next start, endeavour to have him return to racing at a bigger track.

He indicated that due to the horse having poor pre-race manners he had started it at its first start from a spell wearing earmuffs and with hindsight was of the opinion that the earmuffs caused the gelding to switch off as it was unable to muster early speed and was disappointing. S. Comments: Questioned regarding tactics adopted. Rider stated instructions were to ride aggressively in early stages to take up prominent position. After begining awkwardly, from wide barrier, rod vigorously to comply with instructions. Near 900m attempted to obtain cover anticipating that runner would settle outside the leader. When another runner steadied and the tempo slowed obliged to race 3 wide throughout. Rider did not feel fact horse race 3 wide had detrimental effect on performance. Trainer confirmed instructions. Explanation noted.
