S. Comments:Questioned re tactics - rider stated instructed to ride forward as had been slow to begin in previous 2 starts. After beginning awkwardly and from wide barrier had to ride vigorously in early stages to comply with instructions. Pressure required in early stages had detrimental effect on overall performance. Noted fully trialled well when settling in forward position and would derive fitness benefit from run. Trainer confirmed instructions and would issue similar instructions in future when stepped up over further distance. Reminded of obligations to advise of change of tactics.

Miss Harrison indicated that as horse previously had a tendency to begin poorly, pre-race discussions were had with trainer W. Hulbert and formed the view the horse would be positioned in the second half of the field with cover. However, when it began well she elected to push forward being aware that there was limited speed in the race. Trainer W. Hulbert confirmed they had not expected the horse to lead.

S. Comments:Forced wider for a short distance in the early stages, and then overraced until approaching the 1000m. Held up rounding the home turn and until the home straight, and near the 300m the rider attempted to force another runner wider to obtain clear running and made contact with that runner on a number of occasions and became unbalanced. Then continued to be held up for clear running until approaching the 100m.
