S. Comments:Jockey L. Dittman was asked to comment on the reason for him leading in today's event. He indicated he had been instructed to settle just behind the pace if possible, however after the horse began well and after travelling a short distance it became apparent he would not be able to secure a position close to the fence and he allowed the horse to stride forward to the lead. Tarrant to explain the tactics adopted as after passing the 900m he shifted wider on the track and from the tail of the field improved quickly when positioned three wide to take up the lead passing the 600m. Apprentice Tarrant indicated that it had not been his pre-race intentions, however after settling, his mount commenced to overrace when the pace slackened at that point and after shifting wider to avoid heels, he was of the view that it would be in his best interests to position the horse closer to the lead.

S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

S. Comments:Began awkwardly. When questioned regarding the tactics adopted, in particular setting a quick tempo in the early and middle stages, trainer stated that the filly's best runs have been when it has been allowed to roll along in front and attempt to run the field off its feet. Mr Hansen added that the filly does not appreciate being overly restrained or racing around other horses and is much better suited by the tactics adopted today. Mr Hansen added the filly has never raced on a surface worse than good before and he is not convinced it appreciated the soft track conditions today.

He indicated pre-race the plan was to attempt to secure cover preferably in a midfield position, however after beginning well it became apparent he would be caught wide he then elected to ride forward to secure a position closer to the fence. He added that the horse was having its first start over 1600m and the mare raced keenly in the middle stages. Stewards accepted the explanation.
