She indicated that after the horse started at the Gold Coast on 17 May the stable added a tongue-tie to the horse's gear, which it raced in on 17 June. However the gelding's performance on this occasion could be explained by sustaining interference on a number of occasions throughout the event, as noted in the Stewards' Report. She added that the stable had expected a forward showing in today's race as the horse had responded in its trackwork following the addition of the tongue-tie. S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.

S. Comments:When asked to comment on the disappointing performance, jockey Fancourt indicated that the horse raced quite greenly throughout the event, shifting both in and out when racing outside the lead. She was of the view that the disappointing performance could be attributed to the horse having its first start on a very rain affected track as the horse did not travel comfortably when asked for an effort after leaving the 600m. Stewards will interview trainer Mr T. Gollan, who was not present at the meeting.
