He indicated that, in his opinion, the horse appreciated the step up in distance to 1600m today, and whilst he was somewhat surprised by the performance, indicated that at the horse's most recent start it had been unlucky in that it was held up for clear running during the early stages of the home straight. Stewards noted the explanation.

S. Comments:After racing in a rearward position commenced to lose ground passing the 600m and finished a distant last. Rider explanation re performance - stated gelding travelled reasonably until a point passing the 800m when the tempo quickened and from that point on floundered in the going, failed to respond to his riding and proved disappointing. Vetted - no significant findings.
