S. Comments:Bumped on jumping. After leading for the majority of the event, when placed under pressure passing the 600m commenced to weaken and finished at the rear of the field. When asked to explain the horse's performance, rider K. O'Hara stated that the mare travelled well until passing the 600m and failed to respond when placed under pressure and she desisted from riding the mare out over the final 200m as she had concerns with its action. A post-race veterinary examination revealed the mare to have poor post-race recovery and to be exhibiting signs of being in season.
