Rider questioned re seemingly disappointing performance - stated filly travelled well early and middle stages however, failed to run on when placed under pressure and in his opinion raced flat. Trainer of the opinion filly may not have appreciated step up to 1400m today and would freshen the horse up and concentrate on a shorter distance than that of today's event. He explained that he had been given no specific instructions, however, from the wide alley he had anticipated that the horse would begin well and he would hopefully be able to take up a forward position. He added that after being bumped in the early stages and horses racing to the inside showing early speed, he elected to restrain to obtain a position closer to the fence with cover.
