S. Comments:Began awkwardly. Over raced early. Near the 800m commenced to lay out & lost ground. When quest re riding in h/straight, particularly whether there was an opportunity to improve to inside near 300m, Rdr said had looked to improve into this run, however; filly was laying out, as it had done from 800m & when another runner shifted out, this run closed & then allowed horse to continue to shift out looking for clear run. It was accepted filly was hanging, however, Rdr advised could have ridden with more vigor at that point in order to secure position. Disappointed for run near 200m & steadied.

S. Comments:Stood flat footed as the start was effected & lost significant ground (5L). Official trial to Stewards satisfaction prior to racing again. When asked about tactics adopted from 1300m, Rdr stated instructed to allow gelding to stride unrestricted and slowly work into race from about that point, so gelding was in striking range coming to the home turn-said after slow start, allowed mount to improve around field from 1300m. & as the pace had slackened, resulted in gelding settling outside lead near 700m-added a short distance later, gelding was under pressure & weakened from the 200m.
