S. Comments:Reluctant to leave mounting enclosure. Warning for pre-race manners. Raced three wide without cover throughout. Near the 600m, steadied when awkwardly placed on heels. Rdr could offer no excuse for disappointing performance other than being caught wide may have proved detrimental to finishing effort. A post-race vet exam revealed a slow recovery and some soreness in both hind legs. Further a respiratory noise was detected. Vet cert inclusive of an endoscopic exam prior to gelding next trialling or racing.

When questioned whether there was an opportunity to race in a one-wide position near 900m, rather than positioning gelding on rail, Rdr advised felt would have had to pressure mount to hold his position and being mindful of having mount over race in a small field, felt was better served allowing gelding to travel comfortably-added for this reason, elected not to contest the position behind one off resulting in that position being taken by another runner.
