Tnr said gelding is a horse that appreciates further distances, however, was not surprised to see running on. When considering tactics adopted, Stewards were of the opinion Rdr erred by not applying more pressure to mount in early part of the home straight & reminded of obligations to ensure fully tests mounts through the line.

When questioned re tactics, Rdr explained mount wanted to race keenly and commenced to over race early, so allowed to stride to allow it to settle-added reported to Tnr, mount would appreciate racing over shorter distances, which would allow gelding to travel at a faster tempo.
