S. Comments:Rider was questioned regarding his tactics adopted upon the horse and in particular, his reasons for restraining through the early stages after beginning well. Rider stated he was instructed to give his mount a squeeze from the start and settle in a one off position. After beginning well his mount did not possess sufficient speed to cross runners to his inside, and rather be caught three wide he elected to restrain to a one off position. Rider added the gelding only finished moderately in the straight. A post race veterinary examination revealed no obvious abnormalities.
