He added that, in his opinion, the below market expectation performance could be attributed to the step up in weight and distance today, and that the mare did not feel entirely comfortable racing on the rain affected track. Stewards noted the explanation.

S. Comments:When questioned regarding the horse's seemingly improved performance, trainer C. Weston explained that at the mare's last start it was obliged to race wide throughout and also the rider had reported to him that she had concerns with the mare's action and therefore she was reluctant to pressure the mare over the final stages, which had exaggerated its beaten margin. Stewards noted Mr Weston's comments.
