| S. Comments:Laid in under pressure early in home straight and passing the 250m, shifted in and bumped. When asked about performance, Rdr advised gelding travelled well, however; failed to let down when placed under pressure in the home straight. A post-race vet exam revealed a poor recovery. Now going for a spell. |                         |               |                                        |  |
