S. Comments:When quest reg racing in a forward position, which was in contrast to most recent starts, Rdr stated instructions were similar to recent runs, to pressure gelding from gates in an attempt to be forward-added gelding had been slow away last start & settled back. Tnr confirmed instructs & said instructions were same as previous two starts, whereby gelding has been slowly away & unable to be forward over short distances-added gelding was able to obtain a forward position, which with the step up in distance was beneficial to performance.
