| S. Comments:Fractious in the horse stall area; and behind the gates, kicked out contacting another runner. Warning for its pre-race behaviour. Raced wide early, before being allowed to stride to sit off lead near the 1200m. Rdr reported had to make use of gelding early to avoid being caught wide & when placed under pressure in the straight, mount failed to respond, adding the efforts early to obtain a position may have had an affect on the horse's performance-further added gelding may be better suited to lower grade races. A post-race vet exam revealed no abs. |  |                           |                   |                                     |  |
