When afforded the opportunity to comment on the performance of the horse, rider T. Bell stated that after travelling 3 deep for the majority of the race the filly raced greenly, and after applying the whip near the 300m his mount shifted in abruptly and had to be steadied to avoid heels. He added that he advised connections that a step up in distance may benefit the filly in future starts. A post race veterinary examination failed to reveal any significant abnormalities.

Rider reported that the race was not run to suit in that during the middle stages the pace steadied and he was obliged to steady from heels. He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.

S. Comments:Crowded at the start. When questioned regarding the performance of the mare, apprenticed E. Ljung advised her mount failed to show sufficient speed to obtain a forward position and therefore settled in the second half of the field. She added that when the race quickened, her mount failed to sprint as she had anticipated, which she attributed to the horse rising significantly in weight from its most recent start.
