| S. Comments:Began very awkwardly making heavy contact with another runner. Hung out during the middle stages and near the 500m was forced to steady from heels. Held up approaching the home turn. Trainer G Richardson explained that as the horse was having its first start for his stable he was unable to explain its prior poor performances. Mr Richardson did however advise that upon arrival at this stable the horse had been very unruly and difficult to handle. He advised that through training methods to improve its behaviour, it had commenced improving in its trackwork and its final 2 gallops in preparations |                          |                                |                                      |

| S. Comments:Bumped on jumping away. Raced four wide in the early stages before being restrained to a three wide position with cover near the 800m. Rider S Lacy reported ZABCAN was not suited by the fast early tempo and in her opinion would be better suited in races over a longer distance than that of today at this stage of his preparation. |                      |              |                                      |  |
