S. Comments:Held up for clear running from the 400m until round home turn when steadied and became unbalanced when tightened for room. Held up for clear running from the 200m and unable to improve until the 50m. Rdr stated instructed to ride gelding where comfortable-said mount settled in a midfield position and travelled well in early and middle stages-added began to place mount under pressure from the 600m; however, improved up onto heels & was held up for most of remainder of race & went to end of race without being tested.
