better footing approximately four horses away from the inside. He added that in his opinion Strawberry Boy's run ended which he attributed to it missing a run at the Hawkesbury race meeting on Saturday 2

S. Comments: Checked passing the 1100m. Mare raced ungeneroulsy in early stages. Rider reported that after suffering interference he was obliged to make a wide run and as a result the mare's condition gave out over the final 100m. The mare, which was resuming today, had suffered from an interrupted preperation due to recent wet weather. Post race vet exam failed to reveal any abnormalities.

In Running: /3/3 S. Comments: Connections advised intention for gelding to be ridden further back. Raced three wide without cover on the pace. Rider stated after beginning well he felt he would be unable to obtain a rearward position from the wide barrier and as such allowed his mount to stride forward and sit outside the leaders.

S. Comments; Rider reported that gelding travelled well until the 600m after which the horse was briefly tightened for room between two runners and then struggled to make ground from that point onwards and was disappointing. Post race vet failed to reveal any abnormalities. Trainer was of the view the pattern of racing on the day did not suit the gelding's style of racing.
