S. Comments:Stewards questioned trainer in relation to the horse's seemingly improved performance. He advised that he has always had an opinion of the horse, however at its first preparation the horse was immature and failed to perform to a level expected based on its trackwork. He added that the filly, which was racing first up tonight, had worked well in preparation for the event and as such he had expected a forward showing. Stewards noted the explanation.

S. Comments:Tightened for room at the start. Stewards afforded jockey G. Geran the opportunity to comment on the performance. He stated that after beginning awkwardly he settled further back than he had anticipated. He added that he was mindful of the gelding's racing pattern, which is to race up on the speed, and at a point near the 900m he elected to shift wider on the track and stride forward to take up a position outside the leader. Jockey Geran further stated that he was disappointed with the gelding's finishing effort.

S. Comments:Stewards acceded to a request from trainer S. Ryan for the horse to race without a tongue-tie as this was the gelding's first start for his stable and had trialled without this gear. Had some difficulty obtaining clear running upon entering the home straight. When questioned regarding the tactics adopted, jockey G. Colless stated his instructions were to ride in a forward position, however after beginning only fairly was unable to muster sufficient early speed and therefore elected to take up a position towards the rear of the field.

S. Comments:Questioned re disappointing performance - rider stated forced to race in restricted room rounding home turn after which gelding was immediately under pressure. Disappointed in performance as it had impressed in trial leading into this race. Trainer also disappointed and unable to offer any excuses. Vetted in days following race with no abnormalities. Will trial gelding in unofficial trial prior to next start as it had performed well first up last campaign following a number of lead up trials. Previous campaigns to that had always performed poorly when first up.
