S. Comments: Stewards afforded S. Bogenhuber the opportunity to comment on the horse's performance, which was below market expectation. Jockey Bogenhuber stated that after travelling wide in the early stages, she allowed her mount to stride forward to a leading position, which is the gelding's usual racing pattern, however from a point leaving the 500m was under pressure and proved disappointing in its finishing effort, and in her opinion the gelding may have come to the end of its preparation.

S. Comments: Had to be steadied from heels near the 1400m. R. Fradd explained that from his wide barrier he was obliged to settle further back in the field than he would have liked and this, coupled with the steady tempo of the race, did not suit the horse. He added that he is of the opinion that the horse is better suited to races over shorter distances with a more genuine speed to allow the horse to travel without having to be restrained. A post-race veterinary examination revealed no significant findings.

He indicated he was disappointed, however felt that the performance could be attributed to the horse having its first start this preparation over 1400m, on a rain-affected track, and from the wide barrier he was forced to settle at the rear of the field. He added that when asked for an effort from the 600m, his mount did not respond to his riding. Trainer R. Heathcote agreed the apprentice Orman's comments

S. Comments: Brushed the running rail passing the 900m when racing tight. Held up on straightening and had to be shifted back in. Apprentice M. McGillivray explained that rounding the turn he commenced to gather momentum in anticipation of obtaining a run outside VENECIA. He said when VENECIA hung out rounding the turn he was then held up at the heels of runners and when he became aware a run would not present itself in front of him he elected to steady and shift back to the inside of VENECIA to avail himself to that run.
