S. Comments:Had to be steaded from heels near the 150m. Apprentice B. Stower was questioned regarding the tactics adopted. She stated her instructions were to race in a handy position with the horse travelling on the bit. B. Stower added that leaving the 600m she had to ride vigorously to hold her position outside the leader. The explanation was noted.

Rider reported at scale the gelding never travelled well throughout the event. A post race veterinary examination failed to reveal any significant abnormalities.

When attempting to restrain it commenced to overrace proving difficult to restrain allowing ESKIMO KING to shift in obtaining his intended position, as consequence forced to settle further back than anticipated.

S. Comments:Hampered approaching the 250m. When questioned re performance, rider stated, in his opinion, the mare raced flat today second up from its second placing at this track a fortnight ago. He added in the middle stages he restrained his mount in order to assist the mare run out the 1200m, however, this may not have been to the mare's advantage and was disappointing when placed under pressure in the straight. A post-race vet exam did not reveal any abnormalities. Trainer Mr Ryan reported will be freshened up and undertook to report back on the progress of the mare subsequent to the race.

S. Comments:Questioned re tactics in settling forward - rider state previously ridden gelding positively out of barriers with intention of obtaining handy position. Today from wide barrier horse was slow to begin and rode it along in early stages to settle midfield. Passing 1200m concerned he was going to be caught wide so continued riding forward settle outside leader. Trainer stated gelding previously slow to muster speed early and had always instructed rider to ride postively early to obtain handy / midfield positions. Confirmed it was not his intention to lead today.

S. Comments:A veterinary examination of the horse, which was kicked behind the barriers by the Clerk of the Course's horse, cleared the colt to start.

Trainer D. Forster was questioned regarding the tactics adopted on the colt in leading in the event, which was in contrast to its normal racing pattern. Miss Forster stated that she had instructed jockey Cahill to ride the gelding positively to the first corner and then if possible to angle the colt off the fence. She added she did not expect the horse to be left in the lead and had hoped it would take up a handy/midfield position.
