He added that a short distance after leaving the 600m he would have liked to improve more into the race, however was held up momentarily and was afforded clear running when rounding the home turn and found the line only fairly and in his opinion was somewhat disappointing in the run to the finish.

He added that he did not wish to restrain his mount behind MAGNUS COR near the 800m as he was mindful that when OF THE DAY beat FINAL ZERO at Doomben on 12 August, it took almost the entire straight to run that mare down, and with FINAL ZEROS light weight today, he was of the belief that he would be giving that mare too much start.
