S. Comments:Raced keenly for short distance approaching 800m. Laid outwards making turn near 600m. Unable to secure clear running for majority of straight and unable to be fully tested. Rider stated approaching home straight PUZZLING WONDER rolled out and he elected to come to inside of that gelding which didn't improve into race as expected and then elected to go back to the inside and was unable to obtain a clear run for majority of straight. Stewards noted explanation but advised may have been prudent to race behind SUPER SUAVE slightly longer to give possible options to both the inside and outside.

S. Comments:Questioned re tactics - began well anticipated would muster speed and settle outside leader. Then reluctant to ride vigorously as had previously shown tendency to overrace. As a consequence raced wide without cover throughout. Rider conceded may have erred in failing to ride vigorously from barriers. Trainer anticipated settling on speed but noted as 2yr old horse had, despite beginning well, taken time to reach top speed in early stages. Despite wide run thought horse would win before dipping near the 200m and losing momentum. Explanation noted.

S. Comments:Trainer questioned re the horse's seemingly improved performance. He said he had expected a forward showing in today's event as he had anticipated the track having more give than at its two most recent starts. He added that the horse has performed well previously racing on similar surfaces. He further added that the gelding was able to obtain the lead without being challenged today and he believed this was also beneficial to the horse's chances. He said he had supported the horse as he believed that having a 3kg claiming apprentice was also a significant factor.

S. Comments:Slow to begin. J. Lloyd said connections wanted to race off the pace, but the gelding overreacted when being steadied shortly after jumping and got its head up and got further back than they had anticipated. He said he was inconvenienced severely when another runner broke down, resulting in him having to take evasive action passing the 600m. He added that he then rode the gelding along in the straight, but it failed to respond and he was not entirely happy with its action so he eased it down in the latter stages. Vetted, lame in the near foreleg. Veterinary clearance prior to racing again.

When questioned by Stewards in relation to his riding in the home straight, jockey Brad Stewart reported that when entering the home straight a run presented between SPLITTER and BOILING which he attempted to obtain, however as his mount had a tendency to lay in at that point, he was reluctant to take advantage of that run. He went on to say that when able to secure clear running passing the 100m, the filly ran on reasonably. Stewards noted the explanation.
