| S. Comments:When questioned re ride in middle stages & on entering h/straight, whether there was an opportunity to improve from 600m onwards, Rdr stated after riding mare 2 starts prior at Ipswich & viewing footage of previous start at E/Farm, was of view mare could not sustain being placed under pressure too early & was better suited to being exposed to a short, sharp sprint-added early assessment was 2 other runners had established a genuine tempo which both horses wouldn't unable to sustain, so on straightening, was comfortable how mare was travelling without be placed under full pressure.
