Comments:Raced wide until securing a position in the lead passing the 1200m. Rdr dropped whip near the 300m. Rdr could offer no explanation for geldings' disappointing performance and added may have come to the end of its preparation. A post-race vet exam revealed mild heat stress. Stable rep advised would place consideration into applying a tongue to gelding if elect to continue on with preparation. |

| S. Comments:Raced wide early. Rdr reported from wide barrier, was obliged to make use of mount early to obtain a forward position and this had a detrimental effect on its finishing efforts-added tempo of race did not suit gelding and mount would be better suited ridden with cover. |  | 52.5 Ms Cejay Graham    | (7)  | 56 R61   | \$85,000 \$4,000 \$6.50 \$7.50 \$6.50   | <b>In Running: /3/4</b> |  |

| S. Comments:Began awkwardly. When questioned whether there was an opportunity to race in a one-wide position near 900m, rather than positioning gelding on rail, Rdr advised felt would have had to pressure mount to hold his position and being mindful of having mount over race in a small field, felt was better served allowing gelding to travel comfortably-added for this reason, elected not to contest the position behind one off resulting in that position being taken by another runner. |                     |          |          |                                                                    |
