S. Comments:Held up round h/turn. When quest re tactics, in particular near 900m, where elected to remain on rail & risk being held up with runners improving to outside, rather than shifting wide to obtain clear run, Rdr explained instructed to find cover if possible as mount had a tendency to over-race & with genuine speed of race, allowed mount to continue to travel comfortably before improving in h/straight when inside run presented. Tnr Rep said instruct to be positively & gelding to settle where comfortable-added rider having not ridden gelding previously, & being somewhat difficult, was satisfied.

When asked about tactics, Rdr stated with wide barrier, instructed to take up a position with cover, settling at the rear-said when placed under pressure in the home straight, mare had a tendency to lay in & took some time to get balanced, however, finished the race off strongly over the final 100m-added from a better barrier, would expect mare to settle in a more forward position.
