| S. Comments:When asked to comment regarding the geldings perform jockey J Stanley stated that after travelling well, he felt that nearing the 300m it was flat and not responding to his riding and was disappointed with its performance. Trainer T Smith advised that following today's performance it would now be sent for a spell and also noted that the gelding has performed better on firmer surfaces |                   |          |     |                                       |
