S. Comments:Rider stated gelding never travelled well after suffering interference coming to first turn and was under pressure. Rider added gelding did not respond to his riding in the straight and as a result he did not persist in riding it out to the line. Trainer informed stewards the gelding had worked well leading up to today's event and could not offer any excuse for the disappointing performance. Trainer undertook to report back to stewards should anything be amiss with the gelding. A post race veterinary examination of the gelding failed to reveal any significant abnormality.

S. Comments: Rider questioned regarding the performance, said that the mare did not appreciate racing in restricted room for some distance in the middle stages. He further stated that he was held up on the heels of Straight Gold for some distance passing the 200m and then thereafter when changing course to the inside of that runner had to steady when Private Secretary shifted out. Added that in the circumstances given that the mare had a chequered passage he considered the run to be better than it appeared on face value. A post race veterinary examination did not reveal any abnormalities.

He added that after the 1000m he raced in restricted room inside ALWAYS SACRED. He added once ALWAYS SACRED crossed him he was then happy to shift from behind that horse and allow his mount to stride forward and race 3 wide from the 700m. Jockey Byrne was of the view that regardless of these tactics adopted it did not have any bearing on the horse's finishing position.
