When quest, Tnr advised gelding needs to build momentum in races & after being held up approaching h/turn, felt gelding was then one-paced in its finishing effort-added if gelding was able to come to outside approaching the 600m, this may have allowed it to finish the race off better.

Held up for clear run on entering home straight & disappointed for run passing 200m & after shifting out passing 100m, was again held up for clear run over the concluding stages. When questioned if considered an outside run passing the 600m, Rdr stated as saddle and weight had shifted to the inside, mount was reluctant to move out and as such elected to ride for luck.

As the pace of the race commenced to steady, shifted wider leaving 1100m & progressed forward to a leading position leaving 1000m. Rdr reported when the pace of race steadied approaching 1100m, mount commenced to over-race, therefore allowed gelding to stride to a leading position, however when placed under pressure in the home straight, failed to respond to riding-added mount would be better suited when allowed to race in a position with cover & with a more genuine tempo. S. Comments:Raced wide without cover throughout. When questioned re tactics, particularly in racing 3 wide on the speed throughout, Rdr explained instructed to lead if possible, however when unable to comply, allowed gelding to stride where comfortable. After viewing footage Rdr agreed could have made a greater effort to restrain mount after being unable to cross inside runner passing the 1000m to allow the gelding a better opportunity to finish race off. Bearing in mind apprentice and relative inexperience, no action taken but to note ride..
