Approaching 300m, shifted in to secure clear run & again held up for a short distance passing 200m before again shifting into clear running. When questioned re riding in home straight, Rdr stated when a run appeared between runners, was concerned run would close, elected to shift in, in an attempt to obtain clear running, again after shifting across heels became awkwardly placed before being able to obtain clear run shortly thereafter. Rdr told should attempted to test run between runners before shifting in on straightening.
