S. Comments:Warning for being difficult to load. Began awkwardly and lost ground. Leaving the 1000m, was momentarily crowded for room. Approaching the 600m, when racing greenly, got its head up when being steadied from heels. When asked about performance, Rdr reported gelding raced greenly throughout, which was detrimental to its finishing efforts. A post-race vet exam revealed the thumps and a slow recovery.

S. Comments:When asked about the somewhat improved performance, Tnr explained at its most recent start, mare was caught wide and consequently weakened from the race-said mare was bred to race over further distance, and its first start after a break was over an unsuitable distance of 1200m, followed by its most recent start, where it was caught wide throughout-added distance was more suitable and with the addition of ear muffs, its performance was not surprising.
